Re: Town of Sterling – Cayuga County, NY

Dear Mr. Winkley:

On behalf of the Town of Sterling, we would like to ask if your agency would be willing to prepare an Asset Management Plan for the Town's public water system? We would like to have this plan prepared by the end of the year.

If you are not able to assist, and/or meet this deadline, please let us know.

We look forward to hearing from you soon.

Sincerely,

Randall Lawrence  
Town Supervisor
